

NURSDOC

POLICY NUMBER: **18**

POLICY TITLE: **FIRE SAFETY**

WHO MUST ABIDE BY THIS POLICY? **ALL STAFF**

FIRE SAFETY

THE PURPOSE OF THIS POLICY

Nursdoc requires all Temporary Workers to undertake an online examination prior to working for the first time, the course content is as follows:

FIRE SAFETY

Temporary workers should ensure that they familiarize themselves with all fire exits and procedures on client premises that they are assigned to.

The session schedule is as follows: The learning outcomes are the examination of Fire Safety and Procedure and any particular issues that are relevant to health care workers The goals and outcomes of the session are:

- The participants will be able to state they have an increased/renewed awareness of fire safety and procedures
- The participants will be able to state they are aware of their role and the roles of others in relation to Fire Safety and Procedure
- The participants will be able to state that due to their increased/renewed knowledge of Fire Safety and Procedure they are safer health care workers

The content of the session includes the following subjects:
